- 9 Double-click the "points per question" field.

The screenshot shows a dark background with a list of timestamps on the left. A white modal dialog box titled "Add question to questionnaire" is centered. It contains three input fields: "title" with the value "wow", "points per question" with a dropdown menu showing "points per ques", and "question time" with the value "10 will be 10s". An orange circle highlights the "points per question" field. At the bottom right of the dialog are "Cancel" and "Create" buttons.

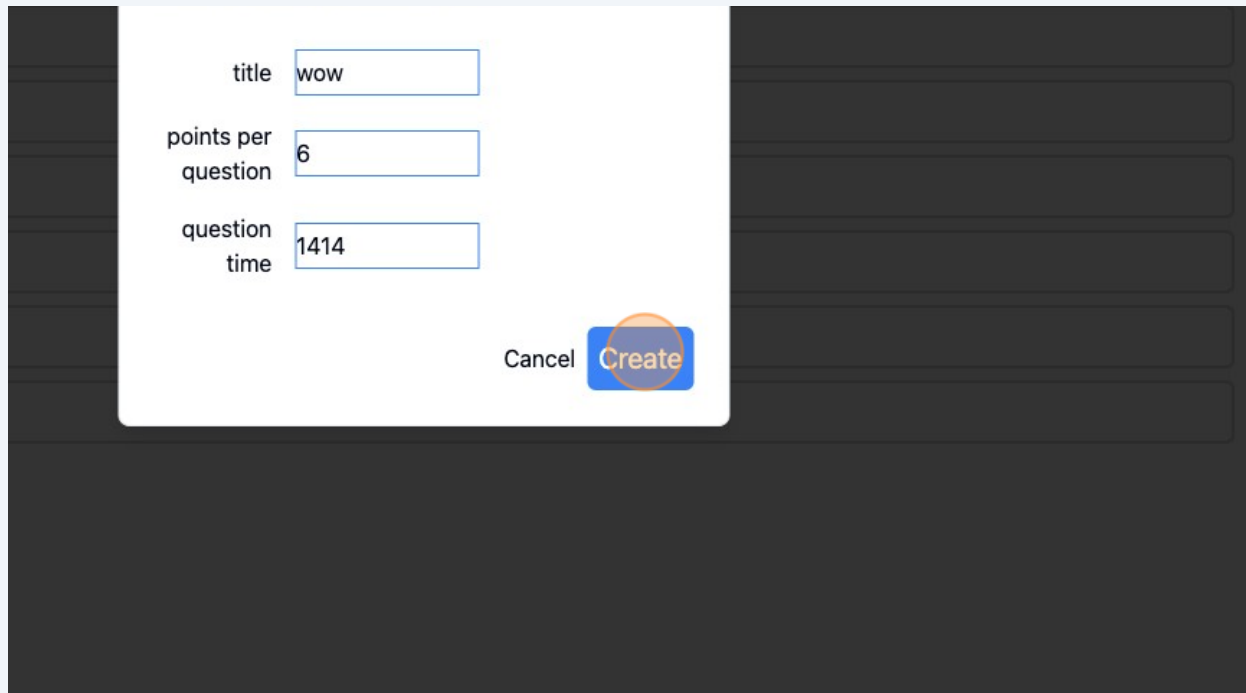

- 10 Click the "10 will be 10s" field.

The screenshot shows a dark background with a list of timestamps on the left. A white modal dialog box titled "Add question to questionnaire" is centered. It contains three input fields: "title" with the value "wow", "points per question" with the value "6", and "question time" with a dropdown menu showing "10 will be 10s". An orange circle highlights the "question time" field. At the bottom right of the dialog are "Cancel" and "Create" buttons.

11 Type "1414"

12 Click "Create"

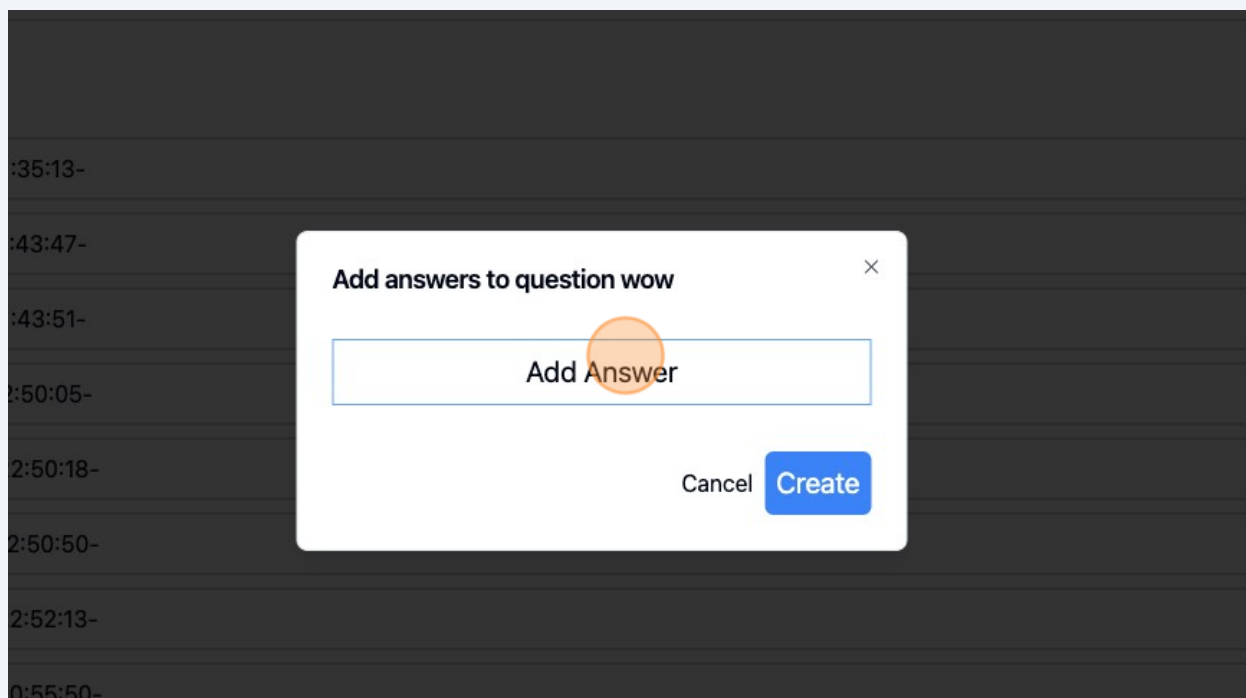

A screenshot of a form creation dialog box. The dialog box is white with a dark gray border and is centered on a dark gray background. It contains three input fields with labels to their left: "title" with the value "wow", "points per question" with the value "6", and "question time" with the value "1414". At the bottom right of the dialog box, there are two buttons: a "Cancel" button and a "Create" button. The "Create" button is blue with white text and has an orange circle highlighting it.

13 Click "Add Answers"

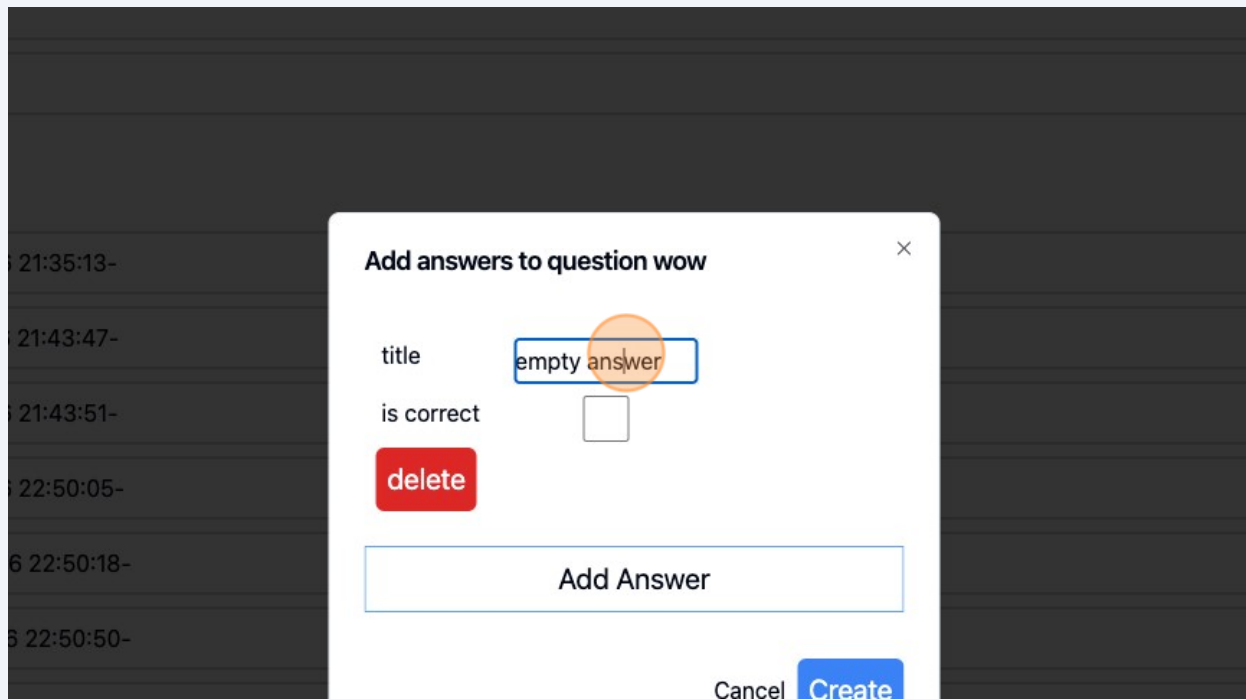

A screenshot of a form interface with multiple rows. Each row contains a text input field and an "Add Answers" button. The third row is highlighted with a light gray background, and its "Add Answers" button is circled in orange to indicate it should be clicked.

14 Click "Add Answer"

A screenshot of a video player interface. A modal dialog is open in the center, titled "Add answers to question wow". The dialog contains a text input field with the placeholder text "Add Answer", which is highlighted with an orange circle. Below the input field are two buttons: "Cancel" and "Create". The background shows a video player with a dark interface and a list of timestamps on the left.

15 Double-click the "title" field.

19 Type "ans 2"

20 Click "Add Answer"

The screenshot shows a modal form for adding an answer. The form has a white background and is centered over a dark grey background. It contains the following elements:

- A red "delete" button at the top left.
- A text input field labeled "title" containing the text "ans 2".
- A checkbox labeled "is correct" which is currently unchecked.
- A red "delete" button below the checkbox.
- A large orange circle highlighting the "Add Answer" button.
- A "Cancel" button and a blue "Create" button at the bottom right.

The background of the application shows a list of timestamps and a "moment" button.

21 Double-click the "title" field.

The screenshot shows a form editor interface. On the left, there is a list of timestamps: 16 21:35:13-, 16 21:43:47-, 16 21:43:51-, 16 22:50:05-, 16 22:50:18-, 16 22:50:50-, 16 22:52:13-, and 17 00:55:50-. The main area contains two answer entries. The first entry has a 'title' field with the text 'ans 2' and an 'is correct' checkbox that is checked. The second entry has a 'title' field with the text 'empty answer' and an 'is correct' checkbox that is unchecked. An orange circle highlights the 'empty answer' title field. Above each entry is a red 'delete' button. Below the second entry is a button labeled 'Add Answer'. At the bottom right are 'Cancel' and 'Create' buttons.

22 Type "ans 3"

23 Click the "points per question" field.
